insurance shall be evidence of its acceptability.

### § 241.600 Title evidence.

(a) Upon insurance of the loan, the lender shall furnish to the Commissioner a survey, satisfactory to the Commissioner, and a policy of title insurance as provided in paragraph (a)(1) of this section. If the lender is unable to furnish such policy for reasons satisfactory to the Commissioner, the lender shall furnish such evidence of title as provided in paragraph (a) (2), (3), or (4) of this section as the Commissioner may require. Any survey, policy of title insurance, or evidence of title required under this section shall be furnished without expense to the Commissioner. The acceptable types of title evidence are:

(1) A policy of title insurance issued by a company and in a form satisfactory to the Commissioner. The policy shall name the lender and the Secretary of Housing and Urban Development, as their respective interests may appear, as the insured. The policy shall provide that upon acquisition of title by the lender or the Secretary, it will continue to provide the same coverage as the original policy, and will run to the lender upon its acquisition of the property in extinguishment of the debt, and to the Secretary upon acquisition of the property pursuant to the loan insurance contract.

(2) An abstract of title satisfactory to the Commissioner, prepared by an abstract company or individual engaged in the business of preparing abstracts of title, accompanied by a legal opinion satisfactory to the Commissioner, as to the quality of such title, signed by an attorney at law experienced in the examination of titles.

(3) A Torrens or similar title certificate.

(4) Evidence of title conforming to the standards of a supervising branch of the Government of the United States of America, or of any State or territory thereof.

(b) The survey required by paragraph (a) of this section need not be furnished in connection with a project where the loan does not exceed \$200,000.

### FORM OF CONTRACT

### § 241.605 Contract requirements.

(a) When the principal amount of the loan is \$100,000 or less, the form of contract between the borrower and the contractor shall be in accordance with the following:

(1) The contract between the borrower and the general contractor may be in the form of either a lump sum contract or a cost plus contract. Either form of contract shall include the cost of the energy conserving improvements, their installation, and such other work to be performed by the contractor as necessary to meet the requirements of the Secretary. A lump sum contract shall provide for the payment of a specified amount. A cost plus contract shall provide for the payment of the contractor's actual cost of compliance with the requirements of the contract, plus such allowances for overhead and profit as may be approved by the Commissioner and shall provide that the total cost under the contract shall not exceed the upset price as approved by the Commissioner.

(2) If agreed to by the general contractor and borrower, a lump sum form of contract between the borrower and the general contractor may be used unless the Commissioner determines that a cost plus contract with a maximum upset price is necessary to protect the interest of the borrower or the Commissioner.

(b) When the principal amount of the loan is over \$100,000, the form of contract between the borrower and the contractor shall be in accordance with the following:

(1) *Lump sum contract.* If the Commissioner determines that there is no identity of interest between the borrower or any of the officers, directors or stockholders of the borrower and the contractor, there may be used a lump sum contract providing for payment of the specified amount.

(2) *Cost plus fixed fee contract.* (i) If the Commissioner determines that there is any identity of interest (financial or otherwise) between the borrower, its officers, directors or stockholders and the contractor, the form of contract shall provide for payment of the actual cost of construction not to
